don Steve, Dan, Henry and Violet all looked  
anxiously at each other. Tensing but determined they  
moved on. First was Violet the smallest. She had  
short blonde hair with purple eyes. Next was Henry  
the shyest of them all with black long hair and  
green eyes. Next was Dan. He was very strong with  
blue hair, red eyes red jacket and red jeans. Last

up straight. You must go first."

Henry nervously stammered, "But... but... I'm terrified!"  
"That's rubbish," came the stern reply. "Shine the  
beam at the coffin Dan. Stab the wooden stake  
with the bow and Violet and I'll hold the cross."

argue and fact none of them looked as if  
they were going to challenge them.

hovering monstrously lay inside the coffin of death.
